3rd October 2023

Dear Parents/Guardians of Year 10 Students

Change of Date – Year 10 Way Ahead Information Evening

We wrote to you last week to invite you and your child to the Year 10 Way Ahead Information Evening.

A significant number of children are involved in an activity that clashes with the original date and time. On this occasion we have made the decision to move the event to:

Monday 23rd October 2023, 7-8pm, School Hall

If you are unable to attend, the presentation slides from the evening will be made available to you shortly after.

Kind regards

Linda Page
Deputy Headteacher
