Dear Parents/Guardians of Students in Years 7, 8 and 10

Internal Exam Dates for Years 7,8 & 10

Please be advised that the internal exam dates for Years 7, 8 and 10 have changed. The reason for these changes is related to the completion of Year 10 coursework in vocational subjects. Due to new changes imposed by the exams boards this year, the timeframe in which to complete coursework is now shorter and coincided with the original dates for the Year 10 mock exams. We made the decision to move the Y10 exams to enable them to have enough time to complete their course work and, therefore, the dates for the Y7 & 8 exams have been brought forward. Please note for Y7 & 8 exams, the students complete the assessments in the classroom and revision lists will be posted on Edulink.

The dates are now as follows:

Year 7

Exams now 27/3/23 - 31/3/23

Year 8

Exams now 20/3/23 – 24/3/23

Year 10

Exams now 20/4/23 - 28/4/23

The students will be informed of these date changes too.

Kind regards

Linda Page

Deputy Headteacher
