7th September 2022

Dear Parents/Guardians of Year 7

Edulink

As you are hopefully aware, Arden uses Edulink as a tool for communicating information with parents and pupils. Edulink contains pupils' timetables, attendance, achievement and behaviour points, school reports etc.

Now that the pupils have been given their school login details, they should be able to access their pupil accounts from tomorrow using 'Arden' as the school id and then using their normal school login.

Parent accounts are separate to the pupils as they have different permissions, such as the absence reporting functionality. The login details for parent accounts (username and password) will be sent out during the day tomorrow (Thurs 8th September) to the email address we have been given. Please can you keep an eye out for this email as you are required to login within 7 days of receiving the email, otherwise the password you are sent will become invalid. Please also check your junk folder if you have not received this by the end of tomorrow.

Edulink can be accessed by downloading the app on a mobile device through the Apple or Android app store, or can be accessed through a web browser at www.edulinkone.com

If you experience any issues with this login (after being sent your login details) please email edulink@arden.solihull.sch.uk for support.

Yours faithfully

Peter Kilbey - Director of Systems and Processes
